- ☐ Submitted herewith is an English language version of a PCT search report listing information not in the English language and indicating the degree of relevancy found by the International Bureau of WIPO, in satisfaction of the requirement (under 37 C.F.R. §1.98(a)(3)) for a concise explanation of the relevance of non-English information.
- ☒ A concise explanation of the relevance of the following listed non-English language information is included as presently understood by the individual designated in 37 C.F.R. §1.56(c) most knowledgeable about the content of the information as set forth below:

Foreign Patent Document

Explanation of Relevance

JP 11-246769

This document was cited by the international Searching Authority in the International Search Report as a category "A" document and its relevance as presently understood is obtained from the English language abstract which indicates that this document discloses a process of preparing an organosilicon polymer emulsion having a small particle size and a high stability, wherein an organosilicon polymer having a siloxane bond and a silalkylene bond are emulsified in water.

JP 1-217040

The relevancy of this document as presently understood is obtained from the

English language abstract which indicates that this document discloses copolymerizing a polysiloxane with an alkadiene to obtain a copolymer having alternating polysiloxane units and polymethylene units.

JP 7-082379

The relevancy of this document as presently understood is obtained from the English language abstract which indicates that this document discloses a defoaming agent composition of a liquid organosilicon polymer and fine silica powder. .

- ☐ A concise explanation of the relevance of the following listed non-English language information is set forth in the above-identified specification:

CERTIFICATION:

- ☒ The Information Disclosure Statement transmitted herewith is being filed **within** three (3) months of the filing date of the application or date of entry into the national stage of an international application or before the mailing date of a first Office Action on the merits, whichever event occurs last. 37 C.F.R. §1.97(b).
